Taking the First Step to Wedded Bliss

Thank you for considering the Embassy Suites LAX North Hotel for your Wedding! We are thrilled that you have allowed us the opportunity to show you what our hotel can offer for your event and we hope that we can be the ones to partner with you in creating a special event for you, your friends and your family.

The Embassy Suites LAX North Hotel boasts an atrium full of lush plants, open-air feeling and a cascading waterfall surrounded by an eight-story column of two-room suites. This unique setting of the hotel offers an extraordinary environment for your Wedding Ceremony. During the day, the atrium basks in warm sunlight complete with a refreshing waterfall. When the sun sets, our atrium is bathed in glowing amber ambient lighting that creates the perfect setting for a romantic moment. A gazebo located in the center of this courtyard next to the waterfall provides the perfectly intimate area for friends and family to gather to witness this special occasion.

We have two ballrooms available from which to choose. Our Catalina Ballroom, with 1,810 square feet of space, allows for a group of up to 80 guests to be seated in banquet rounds with a dance floor set in the center of the room. Our fancy sweetheart table for the bride and groom will be set at the front of the room. This ballroom will serve as the ultimate cozy environment if you are looking to achieve an intimate setting.

Our Pacific Ballroom, with 2,485 square feet of space, will allow up to 180 guests with versatile space to convert into your dream reception. The table configurations will be similar to the setup described for the Catalina Ballroom.

The banquet staff at the Embassy Suites LAX North Hotel holds countless accolades for their services throughout their combined 20+ years of experience. As a recipient of the J.D. Power & Associates award for upscale hospitality service, we offer unparalleled service and pampering for our guests. Our team will be at your service from beginning to end to create a memorable reception for your guests. Our exquisite cuisine will have your guests talking long after the reception.

For the special honeymoon night, we have reserved our executive corner suite on the highest floor of the hotel for the special couple. The room showcases over 550 square feet of space with a spacious parlor, bedroom and bathroom. A large window facing north will show a breathtaking view of the lights in the city of angels, which will set the tone of the evening. Strawberries and Champagne will add the finishing touch.

Again, we are elated to be given the opportunity to introduce our hotel and we are confident that our outstanding service and luxury amenities will help in painting the dream wedding you are envisioning.
